Hello!

The Friends of the Cumbres & Toltec Scenic Railroad is preparing for our Moonlight & Wine Tasting Train on **Saturday, July 9, 2022**. The Moonlight & Wine Tasting event has been a very successful fundraising event, drawing many participants from throughout the country. This event will raise funds to enable the Friends to continue the amazing work we started in 1988. It is the mission of the Friends to preserve the history of CTSRR and educate guests through our established docent program. To that end, the Friends have restored a significant number of rotary snow plows, passenger coaches, the Pullman Tourist Sleeper, freight cars, buildings, and landscaping in the railyard. We are committed to preserving the crown jewel of Northern New Mexico!

Like with so many 501(c)(3)'s, the pandemic negatively impacted fundraising efforts. In order to remedy this, **the friends are seeking sponsors for the moonlight & wine tasting train**. We will be featuring an excellent selection of wine from Black Mesa Winery while the charter train takes guests through the awe inspiring San Juan Mountains and stops at Osier Dining Hall for a mouth watering prime rib, chicken, or fish dinner. We would love support for this event, which you can do by becoming a sponsor. If you are interested, please fill out and submit the Sponsorship Form and payment and return it to:
